Agenda

Tuesday, May 8, 2018 through Wednesday, May 9, 2018

The meeting agenda includes review and presentation on existing socio-economic data and information sources that can inform fisheries management in Federal fisheries off of Alaska. This will include a discussion of the availability of subsistence information, use of existing data collections (such as Economic Data Reports), and the Alaska Fishery Science Center skipper survey, and current Alaska Fishery Science Center funding proposals.

The team will also discuss data gaps and consider long term strategies for prioritizing and filling these data gaps. This part of the agenda will include a presentation of a socio-economic gap analysis, discussion of past critiques from the Council's Scientific and Statistical Committee on information deficiencies in Council documents, discussion of current Council informational needs, and a facilitated discussion of the role of Local and Traditional Knowledge/Traditional Ecological Knowledge and citizen science information into science and management.

The Agenda is subject to change, and the latest version will be posted at <https://www.npfmc.org/committees/social-science-planning-team/>
